GETTING TO KNOW US:

Beansprouts has been a Park Slope tradition since 1980. The After School Program is an extension of our high quality Nursery School. Our After School caters to the young child's needs in a caring environment filled with activities.

Our experienced staff walks the children to Beansprouts from local schools. Pre-K and Kindergarten children are met in their classrooms, 1st, 2nd and 3rd graders are met inside the school where their teachers dismiss them. Children who are bused are met at local bus stops and walked to Beansprouts. Call Caryn, if you are interested in visiting with your child.
