Beansprouts Summer Camp

Beansprouts Summer Camp has been part of the Park Slope community since 1980.

At our camp you will find caring, qualified staff that guides each camper with insight, skill and energy.

We have a large well-equipped yard. Beansprouts has carefully designed air conditioned classrooms with materials to peak your child's interest.

We provide developmentally appropriate activities that encourage each child's physical, emotional and cognitive development. Our supportive and nurturing environment respects and challenges each camper.

Come join us for summer fun with our wide array of activities. There is a 2-week minimum camp registration.

To insure the weeks you want, early registration is strongly suggested.
